PROFILE

I am a hardworking Information Technology student major in Business Analytics, with a strong commitment to continuous learning and professional growth. I am adaptable, detail-oriented, and capable of working effectively both independently and in teams. I possess strong communication, organizational, and problem-solving skills, and I am dedicated to delivering high-quality, data-driven results.

PROFESSIONAL EXPERIENCE

Business Analyst

Business/Data Analyst | 4th year - 1st Semester

- Analyzed system requirements and user needs for the Capstone-related Management System of Dream Smile Dental Clinic.
- Assisted in creating data-driven insights and supporting documentation.

Capstone Project 1 and 2 Team Leader

Project Manager | 3rd year - 2nd Semester

- Led the capstone team, managing tasks, timelines, and coordination with municipal offices.
- Ensured project alignment with client needs and successful delivery of requirements.

Dental Assistant

Dream Smile Dental Clinic | 2024 - Present

- Assisted dentists during procedures and ensured proper preparation of instruments and materials.
- Maintained patient records and supported administrative tasks related to appointments and documentation.
